Dear Priestmead Parents/Carers,

I want to make you aware of an incident involving a child on their way home from school yesterday. The child is safe and well, and we are working in partnership with the local police. The child dealt with the situation responsibly and informed adults.

We would appreciate if you reinforced key messages at home with your children.

Please be extra vigilant when in public places such as parks where there are many people circulating and remind them of the following:

- avoid talking to people they don't know when you're not around
- make sure your child knows never to walk away with strangers
- make sure your child understands that they should always tell you if a stranger approaches them, and never to keep this a secret
- if your child gets lost or separated from you, they should ask for help from school staff, a police officer, another grown-up with children, or someone working at a nearby shop

We also continue to teach all our children in a variety of different ways, with topics such as:

- Keeping ourselves safe
- People that help us
- Stranger danger
- Road safety awareness
- Internet safety

Thank you in advance for your support.

If you have any questions or queries, do not hesitate to contact me by phone, email head@priestmead.theppt.co.uk or when you see me on the gates before or after school.

Yours sincerely,

Mrs Creamer
Associate Headteacher
